

# Psychology: Transfer Graduation Plan for Success (GPS)

## Sample Plan: Full-time Student with Developmental Education

This transfer GPS prepares students to pursue a four-year degree in Psychology at a Florida public university or Florida College System (FCS) institution. Courses listed are common prerequisites for a psychology major at the bachelor's level and will satisfy the general education and elective credits within Eastern Florida State College's A.A. degree program. For more information on common prerequisites, [check the statewide advising manual at floridashines.org](http://floridashines.org).

Spaces left blank are provided for planning purposes. Adjust your pace to graduation by taking more or less classes each term or attending year-round. This transfer GPS is a guideline and does not guarantee admission to a college or university. Requirements may vary by institution and can change each year. Students are encouraged to [consult an EFSC advisor](#) and check with the advising or admissions office at the intended transfer institution.

**Possible Concentrations:** Behavioral Healthcare, Gerontology, Psychology, Social Psychology, Vocational Rehabilitation Counseling

**Potential Careers:** Psychologist or Mental Health Counselor (with additional degree), Career Counselor, Case Management, Labor relations, Laboratory Assistant, Marketing, Personnel and Training, Psychiatric Technician, Rehabilitation Specialist, Real estate, business services and insurance, Sales, Social Work, Top and Mid-Level Management and Administration

**Meta-Major:** Social and Behavioral Sciences & Human Services

**Foreign Language Requirement:** Students initially entering Eastern Florida State College in 2014-15 and thereafter, who are pursuing an A.A. degree, must demonstrate competency in a foreign language at a level equal to two years of high school world language (sequential, in the same language) or American Sign Language coursework. This is pursuant to F.S. 1007.262.
