

EASTERN FLORIDA STATE COLLEGE
DENTAL HYGIENE PROGRAM

Observation Experience Form

Applicants for the Dental Hygiene program MUST complete at least 25 hours of observation of a Registered Dental Hygienist in a dental office and/or dental hygiene setting. Dental Assisting intern experience or work hours are NOT considered dental hygiene observation hours. Observation hours may not be done at your place of internship or employment, if applicable.

A minimum of 25 hours must be completed at one or several different facilities. Please use this form to document hours. Additional hours should be recorded on an additional form. If there are multiple hygienists being observed, please use a separate form for each. This form must be filled out completely.
