

National Association of Women in Construction
P.O. Box 410845 • Melbourne, FL 32941-0845

Guidance Counselor,

Please let me take this opportunity to introduce you to our organization, NAWIC (National Association of Women in Construction). The Space Coast Florida Chapter was chartered in October 1996 and encompasses all of Brevard County. Our core purpose is “to enhance the success of women in the construction industry”. NAWIC members are all volunteers who give of their time and energies to promote educational programs and community projects in our local area.

We will be awarding a \$1,000 scholarship to a female student who will be pursuing a career in a construction related field. This scholarship will be required to be used at a college, university, or trade school within the state of Florida. The check will be payable to the school of her choice and earmarked in that student’s name and whether it is for tuition or books. Our selection committee will be considering the student’s essay at the time of their selection. We hope that you will have a student interested in our industry and that she will apply as soon as possible.

Our scholarship application is enclosed. The application deadline is April 15th and this award will be made by April 25th. The completed application should be submitted by email to nawicscholarship@yahoo.com.

If you should need any additional information, please contact me at (321) 385-3501.

Very truly yours,
