

**Memorandum of Understanding  
Prior Training and Licensure  
Registered Nurse to Bachelor of Science in Nursing**

Effective Term: 201810

Upon acceptance into the Registered Nurse to Bachelor of Science in Nursing program, Eastern Florida State College (EFSC) will award up to the equivalent 42 college credits of core ADN courses to students transferring from other regionally accredited institutions who meet all admissions requirements.

Additionally, EFSC will award equivalent credits of core ADN courses to former graduates of a Brevard Community College/ EFSC AS/Nursing RN degree who meet all admissions requirements but may not have taken equivalent courses under the previous program.

**Procedure for Obtaining Credit**

Student must be enrolled in the following Program: **BSN/ Registered Nurse (RN) to Bachelor of Science in Nursing (BSN)**  
**CIPC: 1105138012**

Student must meet the following criteria:

- Submit the EFSC online application and \$30 application fee.
- Meet all EFSC admissions requirements for the degree, including the following:
  - Associate degree in nursing (ASN) from a regionally accredited institution
  - Active, clear Florida Registered Nursing license (hard copy not required; applicants must enter the license number and expiration date into EFSC's online admissions application)
  - Submit all final, official regionally accredited college transcript(s) indicating the coursework taken and the degree(s) awarded
  - Completion of the following courses with a grade of "C" or higher: BSCC 1010, BSCC 2093, BSCC 2094, ENC 1101, MAC 1105, MCBC 2010, PSY 2012, SPC 2608 and an eligible three-credit humanities course (submitted transcripts will be verified to ensure completion of required courses).
- Upon acceptance into the Registered Nurse (RN) to Bachelor of Science in Nursing (BSN), the Office of the Registrar will evaluate the college transcripts and award applicable credit. Credit to be awarded for the core ADN courses shall not exceed 42 credits. Credit will appear on student's permanent record and will be awarded as a grade of "S". Completion of a minimum of 25% of the degree/program requirements must occur through traditional coursework taken at EFSC in order for a degree to be awarded. No duplicate credit will be awarded.
- Questions regarding this agreement should be addressed to the Dean of Health Sciences, BS Nursing Program Manager, or the Office of the Registrar.

**APPROVALS**

This Internal MOU shall be effective upon the signature of the Eastern Florida State College president or his designee, and shall remain in effect until revoked or modified.
